## Mr. Marshall Comments On the Top Bulls In Cruggleton Aspiration's Pedigree

Cruggleton Captivator won 1st and Casares Cup at the Highland Show and 1st and reserve champion to Cruggleton Beverley at the R.A.S.E. and Great Yorkshire shows, 1936, and was sold in the Argentine, 1937, for \$95,000. Sire, Cruggleton Essander 250076 by Cruggleton Colonel 236411 (winner or 1st prize R.A.S.E. show and 1st and champion Highland Society shows, 1939, he was the sire of Cruggleton Beverley, winner of male and reserve supreme champion Highland, supreme champion R.A.S.E., and Great Yorkshire shows, 1934, 1st and supreme champion Highland and male and reserve supreme champion R.A.S.E, show, 1935, and 1st and supreme champion Highland Royal and Great Yorkshire shows, 1936, and the sire of Cruggleton Borderer, reserve champion to him at the Highland show, 1936, and sold in the Argentine, 1937, for \$20,000.) Dam, Evana Clara 88516, by the famous 3000 guinea reserve Royal champion Collynie Royal Leader 188656, and grand dam by the 3300 guinea Balcairn Baronet 153566.

**Bridgebank Rosedene** was used successfully at Bridgebank and along with Captain MacGillivray's Calrossie Control, perhaps one of the best breeding sons of the 3000 guinea Collynie Royal Leader. He was the sire of six bulls sold in the Argentine in 1932 at an average of 760 guineas and he was also the sire of the supreme champion at the R.A.S.E. show, namely Cruggleton Prideaux.

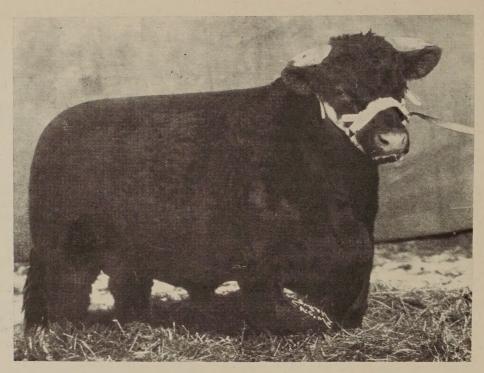

Bridgebank Paymaster, the greatest show bull on record, winning 1st and supreme champion at the Highland, Royal and Great Yorkshire shows. He was a son of the famous breeding bull, Gainford Ringleader, sold for 5000 guineas.

#### And, He's Making Good at Sni-A-Bar

When we purchased Cruggleton Aspiration he was recognized as the best bull in Scotland of his age. Mr. Marshall, his breeder, had topped the Argentine sales of imported bulls on Cruggleton Captivator, his sire, and he considered Cruggleton Aspiration as the most likely candidate for like honors that he had ever bred. Cruggleton Captivator was the all time highest priced bull ever sold in Argentine—\$95,000.

Cruggleton Aspiration has proven all that we, or his breeder, Mr. Marshall, had expected of him as a sire of outstanding individual high quality in both bull and female get. They possess all the attributes essential to consistent breed betterment and show type, and a careful inspection of his get offered in this sale, and those we are retaining on the farm, will bear out this claim—and we invite you to inspect them critically. They are rich in the blood of Collynie Royal Leader. Quality plus this rich infusion of the "tops" in Shorthorn breeding of the present generation should satisfy the needs of any breeder. Great credit should be given Mr. Frank Harding for selecting and bringing to America such a great bull. His influence on American Shorthorns will be lasting,

Twelve sons and daughters of Imp. Cruggleton Aspiration sell in this sale. The get of sire by Imp. Cruggleton Aspiration was undefeated in the show circuit of 1942.

Millhills Jasper was one of the most impressive calves we had ever seen at the time we bought him, and the way he has developed since coming to Sni-A-Bar has been no disappointment to us. He has proven every expectant hope that we had in him and you will see from his pedigree that there is nothing lacking in his breeding—chock full of the most popular blood of the most prominent herds of Scotland today. Some of the heifers in this sale are bred to him and the calves on the farm will show his quality as a sire. Breeders who purchased females bred to him in our 1942 sale are strong in their praises of the calves they have from his service.

Edellyn Campeon Mercury was the sensational top bull of the T. E. Wilson sale last year and generally considered by knowing breeders as the best bull ever produced at Edellyn Farms. A better pedigree was never written, in Scotland or America, rich in the blood of Collynie Royal Leader, the greatest bull of his day in Brittian. A son of a Perth Grand Champion, with the individuality that merits his good breeding, and proves this claim through the fact that he was grand champion at every show where shown last year. More than half of the younger females in this sale are carrying his service.

# You'll Like These Heifers

Following Sni-A-Bar tradition, great care has been taken in the selection of these first calf heifers that we are offering you in this sale. We believe they represent as good ancestry as any lot of heifers ever offered at public auction. We ask that you study the pedigrees of these heifers, and the bulls to which they are bred, and are confident that the good individual qualities they show will appeal to you as a discriminating breeder of better Shorthorns. On account of weather conditions, and wartime emergencies it was impossible to get pictures of all these good heifers, but what few we do present will give you a fair conception of their individual merit, regardless of the unfavorable weather condition at time of taking. More than half these heifers are bred to Edellyn Campeon Mercury, a double great grandson of Collynie Royal Leader; the other to Imp. Cruggleton Aspiration, a grandson of Collynie Royal Leader and Millhills Jasper, another richly bred bull, carrying a great infusion of Collynie Royal Leader blood. We are making this statment in elimination of lengthy individual foot notes, on the theory that "seeing is believing." You buy them as they appeal to you.
